

## **Philipiak Milano 1967® , Inc.**

### **LIFETIME LIMITED WARRANTY**

Philipiak Milano 1967 cookware is warranted to be free from defects in materials and craftsmanship under normal use for as long as it is owned by the individual listed on the warranty card. You must submit a properly completed warranty card to be eligible for warranty repair or replacement. Any Philipiak Milano cookware products which, upon examination by the manufacturer, are determined to be defective, will be replaced with a similar product or repaired free of charge during the warranty period. **THERMOMETERS AND HANDLES ARE EXCLUDED FROM THIS WARRANTY AND ARE INSTEAD COVERED BY A 25 YEAR LIMITED WARRANTY.**

This warranty does not cover damage caused by accident, misuse, abuse, commercial use, neglect, tampering, alterations, ordinary wear and tear, damage in transit, or damage due to service by unauthorized personnel. Placing items designed for stovetop cooking in the oven voids the warranty on handles and thermometers. Products that have been exposed to excessively high cooking heat may become stained, discolored, or marked, but that will not affect their performance and is not covered by this warranty. Likewise, scratches indicate use other than that recommended by the manufacturer, but will not affect the performance of the product and are not covered by this warranty.

**Philipiak Milano 1967, Inc. shall not be liable for consequential damages of any nature for any reason, including but not limited to the breach of any express or implied warranty even if the likelihood of such damage is made known to the company.**
